

TC9

MODEL NUMBER: 200108

CALIBER: 9MM

- Reproduction of the 1873 Cattleman revolver - the most iconic six gun model
- Features a Larger Army Grip Size for easier handling
- Grip is checkered for increased performance and faster sight acquisition
- Blued Steel finish for simplicity and practical use
- Traditional style 1873 SA action per the original design
- Chamber design eliminates need for moon clips, loads like traditional SA revolver
